

SURVIVOR: SENSORY ISLAND

8-Week Book Study

October 1, 2018– December 3, 2018

- Do you have students with sensory difficulties?
- Do you want to learn how the sensory systems affect learning and behavior?
- Would you like to better understand sensory triggers?
- Would you like to help students develop strategies to regulate their emotional and physical reactions?

If you answered “Yes” then join us in this engaging and interactive study of Lauren H. Kerstein’s My Sensory Book: Working Together to Explore Sensory Issues and the Big Feelings They Can Cause: A Workbook for Parents, Professionals, and Children.
