

Florida  Students
educational resources for learning

Need FREE remote learning resources for your students?

CPALMS offers over 900 interactive Original Student Tutorials
at [FloridaStudents.org](https://www.floridastudents.org).

Our tablet-friendly tutorials address standards in English language arts, math, science, and social studies and are developed by Florida teachers and the CPALMS team of experts at Florida State University.

[FloridaStudents.org](https://www.floridastudents.org) also offers hundreds of other student-friendly, standards-aligned resources in addition to Original Student Tutorials.

Check out this video if you need help locating resources on the site: <https://www.cpalms.org/page786.aspx>

Stay safe and contact our support team at helpdesk@cpalms.org if we can do anything to help during this challenging time.
